**MESSAGE FROM PRESIDENT McALEESE**

It gives me very great pleasure to extend warm greetings and good wishes to *Pobalscoil an Teaghlaigh Naofa* - The Holy Family Community School.

I have learned with great pleasure your school will celebrate its 25th anniversary on 24th March, 2006, and I am pleased to send greetings and congratulations to the parents, staff and pupils to mark this special occasion.

Schools are part of the nucleus of a community, and since it was established, your school has served the community in Rathcoole with commitment and dedication. I congratulate all who have contributed to the success of your school, past and present, and I wish you every success in your endeavours.

Guim gach rath ar bhur scoil agus ar bhur gceiliuradh.

MARY McALEESE
