Dear Parents/Guardians,

The whole school community welcomes your son/daughter back to school and looks forward to working with you over the coming years.

Your son/daughter starts school on Tuesday, 1st September, 2020 at 8.45am. Your son/daughter will not need textbooks on this day. They should have their iPad with them and it should be fully charged.

Code of Behaviour & Discipline and Dialann:

Parents, as partners with teachers and the Board of Management, must accept the Code of Behaviour and Discipline as a precondition to their son's/daughter's enrolment in the school. All students **must** have a Dialann (school journal). A copy of the Code of Behaviour and Discipline is included in the 2020/21 student's Dialann and parents and students must sign the declaration of agreement in the Dialann.

Timetable:

The Second Year timetable will be available on the school's website www.hfcs.ie.

Your son/daughter will receive his/her eBooks and physical books from Wriggle Learning. The school bookshop stocks all the stationery and equipment required by students. All students are advised to purchase their stationery and equipment through the school bookshop. The school bookshop will be open from **9.15 a.m. to 1.00 p.m.** each day **from Thursday, 13**th **August to Friday, 21**st **August.** Parents who availed of the pre-order facility before 3rd July, 2020 can collect their order on any of the above dates.

Every year many children require hospital treatment following an accident and the consequences can be very serious, often leading to permanent disability. iPad

Holy Family Community School celebrates an exciting new chapter in further enhancing the teaching and learning environment in the school and acknowledges the continued support of parents as we develop Digital Learning. The development of Digital Learning is a key feature in the school's Strategic Plan 2017 - 2021 and the school's Digital Learning Plan, copies of which are available in the news section of our school website, www.hfcs.ie. Holy Family Community School believes that the meaningful introduction of digital technology into teaching and learning supports a more interactive teaching and learning experience and will bring significant benefits to our students. It will greatly assist students completing Classroom Based Assessments (CBAs) and creating digital portfolios for the new Junior Cycle Programme.

Educational Apps, iPads and eBooks will not be the sole teaching and learning resource for every class but will be used with text books as required. Text books may be used at home in conjunction with the iPad.

All students will be issued with a Microsoft Office 365 account while they are a student of the school. This account will allow students to download up to five copies of Microsoft Office 2016 to any computer or device and will provide 100GB of Cloud storage for files. Students should save their work to the Cloud using their Microsoft OneDrive account from their iPad. All students will be issued with a school email address which should be used by the student for all school related communications and activities.

It is important to note that ownership and use of these valuable educational resources come with responsibilities. Students are at all times bound by the school's Internet Acceptable Use Policy (AUP) and the school's Code of Behaviour and Discipline. Copies of these policies are available on the school's website, www.hfcs.ie

- Ensure that the software apps originally installed by Wriggle Learning /
 Holy Family Community School remain on the iPad in a usable condition and
 are easily accessible at all times.

- Make sure that their iPads are secure at all times and locked away when they are not being used during class/learning time.
- Have adequate iPad insurance.

Students must not:

- Disable, bypass or attempt to disable or bypass any system monitoring, filtering software or other security measures.
- Use the iPad for illegal activities, including copyright or contract violations, downloading inappropriate content including viruses, file sharing software, hacking programs or any other form of inappropriate content

- Download extra software/apps on their iPads unless authorised to do so by their teacher.
- Connect ear/headphones to iPads unless instructed.

- Cords and cables must be connected and disconnected carefully to prevent damage to the
- Do not lean on or place anything near the iPad that could damage the device.
