14th January 2022

Dear Parents and Guardians,

As part of supporting more effective and regular communication between the school and parents / guardians, we have introduced new features on the school VShare App. The current text messaging system is very expensive to operate and a move to notifications will greatly reduce this expense.

Parents and guardians will now receive a notification on their VShare App when a message is sent from the school. To ensure that you receive all messages, please download the app if you have not already done so. All necessary information in setting up and using VShare can be found on the following link.

<https://support.vshare.ie/en/guides-for-parents>

Thank you for your continued support.

Kind regards,

Ms Fallon

Principal
