### **1. Introduction**

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the Board of Management of the school has consulted with school staff, the school Trustees/Patrons and with parents of children attending the school.

The policy was approved by the school Patrons on 15<sup>th</sup> September, 2020. It is published on the school's website ([www.hfcs.ie](http://www.hfcs.ie)) and will be made available in hardcopy on request.

The relevant dates and timelines for Holy Family Community School's admission process are set out in the school's annual admission notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

All applicants must complete and return the school's official application form and all requested documentation to the Principal. It is the responsibility of parents/guardians to supply the required information. Incomplete applications may not be processed. The application form for admission is published on the school's website and will be made available in hardcopy on request.

## **2. Characteristic Spirit and General Objectives of the School**

Holy Family Community School is a co-educational, multi-denominational post-primary school under the joint patronage of the Spiritan Education Trust (formerly The Holy Ghost Fathers), the Presentation Sisters (with CEIST as their agent) and Dublin & Dún Laoghaire Education & Training Board (ETB)(formerly County Dublin Vocational Education Committee).

Community Schools provide a comprehensive system of post-primary education open to all the children of the local community. An innovative approach to delivery of a wide-ranging curriculum contributes to the spiritual, moral, mental, physical and social well-being of students within their community. Community Schools may also provide for life-long learning within their local community through the provision of adult education programmes.

Following lobbying by the communities of Rathcoole, Newcastle and Saggart, for a second level school where all of the children of these communities could be educated, Holy Family Community School was established under the Deed of Trust and opened on 21st September, 1981 on a greenfield site in Rathcoole. The values of Dublin & Dún Laoghaire ETB as a multi-denominational State Body and the inherited traditions, Christian values and founding intentions of the Presentation Sisters and the Spiritan Congregation are enshrined in the characteristic spirit and in the life of our school and are respected and cherished.

The core values of Holy Family Community School are care, respect, community, inclusion, equality, justice and fairness. These values combine to provide and support an atmosphere which is conducive to excellence in teaching and learning. We endeavour to assist each student to reach his/ her full potential in a calm, caring and creative environment.

Our values are reflected in how we live as a school community. The unique and intrinsic value of each member of the school community is recognised and respected. All are treated equally, regardless of race, gender, religion/belief, age, family status, marital status, civil status, membership of the Traveller community, sexual orientation, ability, disability or socio-economic status. All students are given equal opportunity for enrolment, in line with the Education (Admissions to School) Act (2018) construed in accordance with section 3 of the Equal Status Act 2000. Once enrolled, our school provides all our students with equal opportunities to engage with the curriculum, school life and the local community.

Holy Family Community School provides a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. We strive to enable every student to realise their full potential regardless of any aspect of their identity, culture or background. Our school promotes a fully inclusive education which recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded and responsible citizens with a strong sense of shared values with a view to contributing to a just and fairer society.

Our school is multi-denominational where we welcome, respect and support students of all religions and beliefs. The provision of religious education, religious worship and the work of the Chaplain all combine to reflect the founding intention of the school, the school's mission statement and the needs of the students within the school. The characteristic spirit of the school finds practical expression through the provision of pastoral, liturgical and social outreach activities, as appropriate, for each student.

In Holy Family Community School we celebrate the partnership, collaboration and empathy which nurtures and develops our young people in a community where the essence of our ethos is care and respect for self, others and our environment.

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

### **16. Arrangements regarding students not attending religious instruction**

Holy Family Community School offers religious education in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and in the spirit of the Deed of Trust. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition, religious education supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers.

In this context it is important to understand the distinction between 'religious education' and 'religious instruction':

- Religious education is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.
- Religious instruction is instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.

Given that Religious Education, as distinct from Religious Instruction, is timetabled across our school at all levels the legal requirement to advise of the option to opt-out of religious instruction does not arise.
