

## Education is Opportunity

The school received a grant in 2021 to implement initiatives aimed at addressing the digital divide and support our learners at risk of educational disadvantage as a consequence, as part of the Irish National Recovery and Resilience Plan (NRRP) a project under the Recovery and Resilience Facility funded by the European Union through NextGenerationEU. This funding was used to support STEAM subjects at Junior and Senior Cycle, to upgrade IT systems to support the teaching and learning process both inside and outside the classroom, to support the CBA process and to support wellbeing activities.
